The diagram illustrates four chessboard positions (A, B, C, D) showing a sequence of moves between two players: Miller, Travis (10) and Isterbadi, Malik (12). The moves are indicated by colored arrows (blue for White, purple for Black) connecting squares on the board.

- Position A:** Shows a sequence starting at VVW (Miller, Travis (10)) and ending at YL (Isterbadi, Malik (12)). The move from VVW to YL is labeled 3.0.
- Position B:** Shows a sequence starting at CS (Trumbull, Joshua (9)) and ending at CS (Trumbull, Joshua (9)). The move from CS to CS is labeled 2.0.
- Position C:** Shows a sequence starting at CS (Trumbull, Joshua (9)) and ending at CS (Trumbull, Joshua (9)). The move from CS to CS is labeled 3rd.
- Position D:** Shows a sequence starting at VVY (Padilla, Noah (12)) and ending at VVY (Padilla, Noah (12)). The move from VVY to VVY is labeled 4.0.
